GREEN RIVER ROAD BRIDGE PROJECT COMMUNITY MEETING NOTICE

CORONA – Caltrans will host four community meetings to provide information regarding the upcoming Green River Road Bridge Project on SR-91.

The scope of the \$21 million project includes construction of a taller, wider structure at Green River Road that will hold six lanes of traffic. In addition, the ramps will be widened and improved, an ADA compliant sidewalk will be added, two CHP enforcement areas will be added and improvements will be made to Green River Road and Fresno Road.

The public may view a video presentation of the project and pose questions to the team members from Caltrans and The City of Corona.
